

EXTENSIONS OF REMARKS

IN HONOR OF REVEREND HAROLD
G. WILLIAMS

HON. JOHN JOYCE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 17, 2020

Mr. JOYCE of Pennsylvania. Madam Speaker, I rise today to honor Harold G. Williams of Huntingdon County for his service in the United States Navy. Harold is an outstanding Pennsylvanian, and I am grateful for his service to our nation, the Commonwealth of Pennsylvania, and our community.

In Pennsylvania and across the country, our veterans have served and sacrificed for Americans' freedom and our values. They answered the call to serve and fight for us—at a great cost. Truly, our veterans are the best of America.

In Congress, it is my privilege—and my responsibility—to stand up for those who have served our country in uniform, as well as to recognize these brave Americans. As a nation, we are indebted to them. On behalf of the 13th Congressional District, I thank Harold for his service to our nation and our community.

HONORING STEVEN M. DYL

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 17, 2020

Mr. PASCRELL. Madam Speaker, I rise today to recognize Mr. Steven Dyl in celebration of his decades of work as a father, Fire Chief, and leader in the Town of Kearny and the County of Hudson. I am proud to have such a dedicated and hardworking individual in the Ninth Congressional District of New Jersey. A lifelong resident of Kearny and a product of the Kearny school system, Steven Dyl dedicated his life to the safety and security of his hometown.

Steven's commitment to serve started at a very young age. With the gumption to hold regular meetings with then Mayor Henry Hill, Steven advocated for the establishment of an emergency rescue squad in the Town of Kearny, resulting in the creation of the Kearny Emergency Ambulance squad, an organization responsible for protecting tens of thousands of people. Furthermore, prior to his career in fire safety, Mr. Dyl worked for the McCabe Ambulance in Bayonne and as an EMT for University Hospital in Newark, formally beginning his career in public safety.

Appointed to the Kearny Fire Department (KFD) on October 6, 1984, Steven Dyl would start his thirty-five-year long career with the department. Rising through the ranks from Fire Captain, to Deputy Fire Chief and then Chief in 2007, Steven has a long history of hard work and commitment to reflect upon as he retires. Present for many of the department's greatest challenges such as the attack

on 9/11 and the economic downturn in 2008, Steven's leadership would play a key role in many of the major initiatives enacted by the Kearny Fire Department. I know his guidance and strong force of character will be missed by everyone at the department.

Working closely with other members of his community, Steven has raised money for the people of Kearny and firefighters across New Jersey. While titles may come and go, Mr. Dyl displays the intrinsic qualities that make him a leader irrespective of the title he holds. Regardless of how Steven chooses to spend his retirement, I know he will remain a firefighter in spirit. Retirement means a transition into a new phase of life, and I have every confidence that Steven will make this new phase a wonderful, productive and exciting time.

As the representative for New Jersey's Ninth Congressional District, I have the great honor of representing the residents of Kearny in Congress and it gives me great pride to recognize one of their native sons who has spent his life serving the public. I can say with confidence that Steven is not only a good leader, but an incredible public servant—the kind who can be counted on both in good times and in bad times.

The job of a United States Congressman involves much that is rewarding, yet nothing compares to working with and recognizing the efforts of individuals like Mr. Dyl.

Madam Speaker, I ask that you join our colleagues, friends, family, and the residents of New Jersey in recognizing Steven Dyl for his outstanding work, as we celebrate his decades of distinguished service to the Ninth Congressional District and the members of his family and community.

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 17, 2020

Mr. DESAULNIER. Madam Speaker, I rise today to recognize the service of an esteemed leader in Contra Costa County, Bette Boatmun.

Bette was appointed to the Contra Costa Water District Board of Directors in 1974 and has held that position for the past 46 years. When initially applying for the Contra Costa Water District Board, Bette was driven by her desire to see more women in the water industry. During her time on the Board of Directors, Bette has served as both the President and Vice President. Her leadership has been integral in the implementation of many projects, including the building of the Randall-Bold Water Treatment Plant and the Multi-Purpose Pipeline, construction and expansion of the Los Vaqueros Reservoir, and an upgrade to the Bollman Water Treatment Plant.

Bette is known by her colleagues as an advocate for customers of the Water District,

demonstrated by her work to provide low-income assistance and avid support of water education. One of California's public demonstration gardens, recognized by the U.S. Bureau of Reclamation, was named in her honor: the Bette Boatmun Conservation Garden. One of Bette's many accolades for her outstanding career includes the 2013 Hollingsworth Award of Excellence from the California Special Districts Association.

In addition to her numerous professional contributions, Bette is a member of many community organizations, including the Concord American Association of University Women and League of Women Voters of Diablo Valley. She has also served as President of the Association of California Water Agencies and chair of several organizations, including the Governing Board of East County Water Management Association, the Contra Costa Special Districts' Association, and the Sanitation and Water Agencies of Contra Costa County.

We wish Bette well as she retires from the Contra Costa Water District Board of Directors and thank her for inspiring many more to follow in her footsteps. Please join me in honoring Bette Boatmun for her many contributions to our community.
